

Lake Region Anglers Association Lifetime Achievement Award Nomination Form

Award Objectives:

- Recognize an individual, a business or an organization for their years of contributions in helping the Association to achieve its stated objectives and goals in the areas of Member Relations, Lake Access, Youth Education and Activities, promoting a spirit of Sportsmanship and Fellowship in the public domain and within the Lake Region Anglers Association organization.
- Recognize an individual, a business or an organization who have worked to educate the Association's membership in the area of the conservation and preservation of our natural resources.
- Recognize an individual, a business or an organization for their efforts to encourage family involvement within the Association's activities.
- Recognize an individual, a business or an organization for their contributions in helping to grow the membership of the Association.

This award is presented to an Association member, business or organization who has displayed an ability to work unselfishly toward the goals and objectives of the Lake Region Anglers Association over an extended number of years. A nominee must be a past or current member of LRAA to be considered for the LRAA Lifetime Achievement award.
