

Lake Region Anglers Association Sportsperson of the Year Award Nomination Form

Award Objectives:

- Recognize individuals, businesses or an organization for their recent contributions in helping the Association to achieve its stated objectives and goals in the areas of Member Relations, Lake Access, Youth Activities and Education, promoting a spirit of Sportsmanship and Fellowship in the public domain and within the Lake Region Anglers Association organization.
- Recognize individuals, businesses or an organization who have worked to educate the Association's membership in the area of the conservation and preservation of our natural resources.
- Recognize individuals, businesses or an organization for their efforts to encourage family involvement within the Association's activities.
- Recognize individuals, businesses or an organization for their contributions in helping to grow the membership of the Association.

This award can be presented annually to an Association member, business or organization who has displayed the ability to work unselfishly toward the goals and objectives of the Lake Region Anglers Association over the past year.

This award can be presented based on a members work in the area of achieving one or more of the goals and objectives of the Association based on a single event or based on their efforts through-out the Association's fiscal year.
